- * Lambeau Field Concessions approximately made 8,000.00 with 2,100.00 going into student accounts. Tips from all the games worked are a little over \$1000.00.
- * Lambeau Field clean-up through PMI was \$2,150.00 and this went directly into student accounts.
- * New is the Restaurant of the Month. Each month we will feature a restaurant. This month is Chili's in Green Bay. You need to print a coupon off of the Booster Website and take it with you to the restaurant. Music Boosters will receive 10% of the purchase.

Mike Schreder commented that with Snow Ball coming up kids could use these coupons if going out for dinner.

*Also kicking off this week is the wrist bands which will sell for \$2.00 each.

*Pennies for Pasadena will kick off the day of the Chilirific Musicpalooza. Diana was able to get 54 glass milk jugs from Hansen's Dairy at \$1.35 each. If you would like to help increase the number of jars we have, please go to Festival Foods and purchase your milk in the glass milk jugs and donate the jug to the music boosters. Your jugs can be dropped off in the band room or e-mail Matt Gehri at matthewg@prevea.com

*Wondering if the boosters would like to do Brat sales at Festival Foods? After discussion, we will pursue this and Tina Brant will head this event. Sign up for this is on February 3rd at The Marq.

*Raffle tickets for the Raffle starting in the spring: Smallest quote Diana could get for printing of the raffle tickets is \$500.00. We will need 18000 tickets, and they must be numbered sequentially. Suggestions of other places to check were NWTC and Worldticket.com. If you know of anyone who would be willing to print these for a lower cost please contact Diana Ewald.

* Music Booster Scholarship information will soon be up on the booster website. Remember if your student is applying for a scholarship it is ultimately their responsibility to make sure ALL information, including letters of recommendation, is in on time.
