Preface

The Pulaski High School Music Department is dedicated to providing students with the highest quality music education available. The goal is to instill in each student the concepts of work ethic, time management, appropriate peer socialization, and above all, a love and passion for the artistry of making music. Communication and cooperation between students, parents, and the director is the key to success.

Participation in the PHS Choirs provides students with the opportunity to improve individual vocal techniques, strengthen music theory and sight-reading skills, and increase their knowledge of music history. Students will learn choral literature in a variety of styles, and will be able to participate in the Wisconsin School Music Association Solo and Ensemble Festival. Most importantly all music lovers will have fun and benefit from the many positive ways choir can impact a person's life!

September 5, 2018

Dear Choir Families,

Welcome back for the 2018-19 school year. I am very excited to be starting a new adventure with your children and to all the year has in store. Please see the attached calendar of events to view the many great opportunities planned for the upcoming school year. Please review the dates listed and add them to your family calendar. In addition, you will find information on the choir grading procedure and choir class expectations. The attached commitment form should be returned no later than Friday, September 14th.

I look forward to seeing and meeting all of you throughout the year.

Please accept my thanks and appreciation in advance for the support that you provide for your child(ren). It is your support and encouragement that allow the music program to grow and make it possible for us to offer wonderful musical learning opportunities for your student(s). If you ever have any questions or concerns, please do not hesitate to contact me by email kabrown@pulaskischool.org or by phone at (920) 822-6826

Musically yours,

Mrs. Brown

Expectations

1. It is my goal to make sure that every one of my choir students and their families understand that they hold a very important place in the choir program and to make sure that they feel welcome at all times. It is this sense of belonging that allows the students to take pride in their work as an individual and as an ensemble member and to create musical memories that will last a lifetime. To facilitate this sense of belonging I emphasize the following expectations of character development in my classroom: **Respect, Listen, Focus, Teamwork, & Self Control.**

2. It is each student's responsibility to take care of their own music. If lost or damaged, you will be charged for the folder and its contents. Be sure to have your folder/music, as well as a pencil, at all rehearsals.

3. There will be no food, drink or gum allowed in this room without prior approval. Please keep all rehearsal areas neat and clean.

4. Arrive on time. Be in place your place with your folder, music, and pencil when the bell rings.

5. Report any inability to sing due to illness or injury before class begins. Your participation level will be decided that day by Mrs. Brown.

6. Backpacks, books, and purses will be put on the white shelves when students come into the classroom. Students should only have their folders, music, and pencils at their seats.

7. Disorderly behavior and abusive language will not be tolerated. No talking while we are singing, while another section is singing, or while the teacher is talking.

8. Absolutely no cell phone use unless you have permission from the teacher.

Grading Policies

1. Your grade will be determined using the following format:

You still **must** bring in a note from home explaining your absence within two class periods after you return to school.

Dress pants, Dress shirt, Dress shoes, & Dress socks

Attire for the National Anthem:

The Star Spangled Banner is an anthem that embodies honor and respect for our country. Students who perform it at school and athletic events are expected to dress in an appropriate fashion, respecting and following school policies for the dress code.

PHS Choir Solo and Ensemble Requirement

All Choir students are required to participate in the WSMA Solo and Ensemble Festival. They will be part of a large group that performs at the event. Every student is required to learn a solo from the list as part of their lessons, but they do not have to perform it at Solo and Ensemble. Students may choose to perform a Class A solo only if he or she previously received a score of a 1 on a Class B solo.

For music theatre solos, students are required to first receive at 1* on their Class A classical solo before they may perform a musical theatre solo the following year.

PHS Choir Fundraising

Additional funds are often required if the choir is planning to do something special, such as a trip. Fundraising is a way of helping students fund this type of activity. Since it is meant as assistance, it is optional. However, since some of the funds are used for Solo and Ensemble medals and other awards, each student is encouraged to do their part. Each student has an individual fundraising account, which is similar to a bank account, without the interest. All profits that the student makes is placed in their individual account, which is periodically posted by the choir treasurer. The student may use that money to help pay for shoes, a trip, or a choir camp.

Students who graduate may leave their money to the choir to help pay for awards or transfer it to a sibling or relative. Students who drop choir forfeit their right to transfer any money that they have in their account and it will be used to help pay for awards. No student is allowed to receive this money in the form of cash.

The Pulaski Music Boosters

The music directors and the music boosters organization have set up the following procedures for communicating information to all members:

Pulaski Music Boosters Weekly Music Notes:

An electronic newsletter from the Boosters. The newsletter contains a list of important dates, articles and information on all events and activities of the music program. Separate sections are dedicated to the Band, Ensembles, and Choral students' announcements and activities.

Music Booster Meetings:

General booster meetings of the music boosters are held monthly at Pulaski High School. In addition to conducting the business of the organization, a large segment of the meeting is devoted to providing information on various events and activities. The directors are present

as well. Attendance at the general meetings is encouraged. Meetings are normally held the 2nd Monday of every month at 7pm.

www.pulaskimusicboosters.com is another location that is full of information. This website and the Remind.com messaging system are the two main ways of communication for the music department. The music boosters are also on facebook.

**Parents are encouraged to become members of the Music Boosters organization. All Boosters are encouraged to volunteer their time and effort in the support of these young people. In the past, the Music Boosters have paid for the District and State Solo and Ensemble entrance fees (1 solo can be up to \$20!) and they pay for the medals the students receive for Solo and Ensemble.

Have fun!

Volunteer!

Socialize!

Support our entire PHS Music Program!

Choir Get-Togethers

The choir council likes to plan get-togethers for the high school choir and also with the 8th grade choir. These will be decided throughout the year. They are not required, but all choir students are encouraged to attend. We will probably be asking for some students to bring food to share at these events. They are generally held at PHS in the choir room.
